Group Winding wires

Model/type STW-B

Data Diameter 0,2-1,0 mm 1.0kV

Other specification Tripple insulated winding wires. Reinforced insulation, Class B (130 °C),  
32-18 AWG,

The above product is certified according to the following standard(s) Safety std.: EN 60950-1:2001, Annex U

Validity This certificate documents conformity with the standards shown, and also applies as license for use of Nemko's name and certification mark. The certificate and license is valid as long as the applicable conditions are complied with, and provided that any changes to the product are notified to Nemko for acceptance prior to implementation.  
New standards or amendments to the standards may imply that the product design must be updated and/or that re-testing and re-certification is necessary.

Date of issue 30 July 2004
